

LEHMAN WESLEY

Simplify Your 1099 Filing with Aatrix for Sage 100 Fast, Accurate, and Hassle-Free Year-End Compliance

Aatrix's integrated eFiling solution for Sage 100 takes the stress out of 1099 reporting. Prepare, review, and file your forms electronically—right from Sage 100.

✔ Why Choose Aatrix?

- **Fully Integrated:** Access directly from Sage 100—no extra software needed.
 - **Supports Multiple 1099 Types:** NEC, MISC, DIV, INT, and more.
 - **Pre-Filled Forms:** Over 330 federal and state forms auto-populated from your Sage data.
 - **Step-by-Step Wizard:** Validate vendor info, correct errors, and preview forms easily.
-

🔍 Filing Options

- **Complete eFile Service**
Aatrix files federal and state forms and mails recipient copies for you.
 - **Print & Mail**
Print locally or combine with eFiling for flexibility.
 - **Secure Online Access**
Recipients can view forms online anytime.
-

Benefits at a Glance

- **Save Time:** No more folding, stuffing, or mailing.
 - **Ensure Accuracy:** Built-in compliance checks.
 - **Stay Current:** Automatic IRS/state updates.
 - **Scale Easily:** File for multiple companies and states.
-

How It Works

1. Install **Federal and State Tax Reporting** on your workstation.
 2. Navigate to **Form 1099 Tax Reporting** in Sage 100.
 3. Use the wizard to verify data and select filing options.
 4. Review and submit via Aatrix's secure platform.
-
